

**Articulation Agreement
between
SUNY Corning Community College & Arnot Ogden Medical Center School of Radiologic Technology
2024-2027**

Purpose and Intent:

Based upon the mutual concern of both the Arnot Ogden Medical Center School of Radiologic Technology and SUNY Corning Community College (CCC) to provide a continuous articulated academic program in Radiologic Technology, the following are agreements to which we mutually subscribe.

Provisions and Particulars:

Students admitted into the Arnot Ogden Medical Center School of Radiologic Technology program are required to hold a minimum of an Associate's Degree to graduate from the program. Students not holding an Associate's Degree will be co-enrolled in the SUNY Corning Community College Directed Studies AAS degree and will be required to complete the following credits at SUNY CCC:

ENGL 1010 College Composition I (3 credits)

ENGL 1020 College Composition II (3 credits)

MATH 1150 Quantitative Reasoning II or higher (3 credits)

Laboratory Science (3 Credits): These credits will be applied to the BIOL 1210 Principles of Anatomy and Physiology I (4 credits) and BIOL 1220 Principles of Anatomy and Physiology II (4 credits) 8 credit sequence

Liberal Arts and Sciences (6 Credits): These credits will be applied to the BIOL 1210 Principles of Anatomy and Physiology I (4 credits) and BIOL 1220 Principles of Anatomy and Physiology II (4 credits) 8 credit sequence leaving only 1 credit to complete in this category- this 1 credit will count towards the health course below

Humanities (3 credits): SPCH 1080 Public Speaking (3 credits)

Social Sciences (6 Credits): PSYC 1101 Introduction to Psychological Science and SOCI 1010 Introduction to Sociology

Wellness credits (3 credits plus the additional 1 credit from Liberal Arts and Sciences above): choose one 3 credit Health elective plus a single 1 credit of either a health, physical education or wellness elective
total: 30

SUNY Corning Community College Credits		
ENGL 1010	College Composition I	3
ENGL 1020	College Composition II	3
MATH 1150 or higher	Quantitative Reasoning II	3
SOCI 1010	Introduction to Sociology	3
PSYC 1101	Introduction to Psychological Science	3
SPCH 1060 or SPCH 1080	Interpersonal Communication or Public Speaking	3
BIOL 1210	Principles of Anatomy and Physiology I	4
BIOL 1220	Principles of Anatomy and Physiology II	4
	Health Electives	4
	TOTAL	30

The remaining 32 credits will be brought in as transfer credit for Free Electives; this transfer credit consists of the curriculum in radiologic technology from the Arnot Ogden Medical Center School of Radiologic Technology and is evaluated and endorsed by the New York State Education Department's National College Credit Recommendation Service (NCCRS).

This agreement complies with the SUNY General Education mandates specific to:

- 20 credits, General Education (students will earn 26 general education credits)
- 4 required SUNY General Education categories: Communication (Oral and Written): ENGL 1010, SPCH 1080, Mathematical Literacy: MATH 1150 or higher, Natural Sciences: BIOL 1210 and 1220, and DEI/SJ: SOCI 1010
- 2 required SUNY competencies: Information Literacy: ENGL 1010, Critical Thinking: PSYC 1101
- Additionally, all local requirements are met specific to specific liberal arts and sciences requirements and with at least 25% of the program comprising liberal arts and sciences.

Students must meet all college admissions requirements.

Corning Community College agrees to the following:

- To offer courses specified in this agreement through an online format. If these classes must be canceled for low enrollment, Corning Community College will accommodate the needs of the Arnot Ogden Medical Center Radiologic Technology students so that they can meet their degree requirement within the twenty-four-month time frame of the Arnot Ogden Medical Center Radiologic Technology School.
- To make optional, for Arnot Ogden Medical Center Radiologic Technology students, Corning Community College's Student Activities fee, Student Athletics fee, and Physical Education fee.
- To bill the Arnot Ogden Medical Center School of Radiologic Technology students tuition twice yearly, to be due in September and February. Out-of-state residents and New York State residents without a valid Certificate of Residency will be charged the appropriate tuition. Arnot Ogden Medical Center Radiologic Technology students will comply with Corning Community College's policies regarding any refunds for early withdrawal or deadline for payment of fees.
- To allow Arnot Ogden Medical Center Radiologic Technology students to participate in graduation ceremonies at Corning Community College.
- To provide course outlines, course objectives, expected outcomes, and instructor credentials for inspection by the Joint Review Committee on Education in Radiologic Technology (JRCERT), New York State Department of Health (NYSDOH) and The Joint Commission.

Corning Community College agrees to the following: (Continue)

- To provide all policy information to the students and Director of the Arnot Ogden School of Radiologic Technology.
- To provide academic advising for Arnot Ogden Medical Center Radiologic Technology students enrolled at Corning Community College.

The Arnot Ogden Medical Center School of Radiologic Technology agrees to the following:

- To maintain program sponsorship.
- To coordinate all functions of admissions and orientation to the Arnot Ogden School of Radiologic Technology program.
- To coordinate all financial aid functions and complete all necessary requirements for financial aid.
- To have all Arnot Ogden School of Radiologic Technology students co-enrolled at Corning Community College attend any new student orientation programs if they have not already done so.
- To ensure that all Certificates of Residency and other Corning Community College forms are completed by Arnot Ogden School of Radiologic Technology students.
- To advise Arnot Ogden School of Radiologic Technology students about the procedures for registration at Corning Community College.
- To advise Arnot Ogden School of Radiologic Technology students that if they fail a Corning Community College course, they will have to repeat the course at their own expense.
- To pay to Corning Community College the Arnot Ogden School of Radiologic Technology students' tuition bill semi-annually, in September for the fall semester and February for the spring semester.
- To inform Arnot Ogden School of Radiologic Technology students co-enrolled at Corning Community College that they must abide by the college's policies and procedures, with the exceptions noted in this agreement.
- To provide the Associate Dean(s) at Corning Community College the names of the co-enrolled Arnot Ogden School of Radiologic Technology students so that the Associate Dean(s) can verify that the students are in Directed Studies, A.A.S.:

The Arnot Ogden Medical Center School of Radiologic Technology and Corning Community College further agree to the following:

- To mutually make modifications to this agreement as the need arises.

To pledge that if either party wishes to cancel this agreement, the cancellation will be done without jeopardy to those students already enrolled in the Corning Community College Directed Studies, A.A.S. program.

Changes in curriculum and program requirements at either institution will be transmitted to the other as any occur. This agreement will be reviewed and renewed every three (3) years with a signed agreement by the participating parties or when a change of curriculum or program requirements occurs at either institution that would affect the validity of the agreement.
